

It's never too late to start participating in the Lower Umpqua Library District (LULD) All-season Reading Bingo challenge, which is running from January through December 2026 here in Reedsport.

Open to all ages, there are various bingo card subjects to choose from such as Mystery, Pacific Northwest, Historical fiction, DVDs, and 25 more. For each item square completed, a raffle ticket is issued. The more you read the better the prize! All items must be borrowed through the library. E-books will not qualify. Feel free to contact the library for more information or view the information on our website: LULD.ORG

LULD has also recently created a World Religions section of magazines and newspapers devoted to a wide range of religions and beliefs. While we tried to be thorough, let us know if we missed a faith and we will strive to find a periodical that covers it. These items may be borrowed from the library in the same manner as books.
