1. CALL TO ORDER:

The meeting was called to order by Ron Eberlein at 6:06 p.m.

2. CITIZEN COMMENTS:

Terry K. Moore thanked the board for giving her the opportunity to speak regarding issues she feels are important to her, as well as others in our community, based on comments she has heard about the library. She expressed her concern that patrons were leaving their email accounts open on the computers. While using a public wifi computer during her volunteer time, the computer logged her out of her session, as it was almost closing time. Staff had to log back in with administrative privileges to allow her to log off the accounts she had open. She was concerned that this might be a security issue. Sue Cousineau addressed the issue, stating that it is the patron’s responsibility using a public computer, to log off of all accounts when you are finished, or get the five minute warning From Cybrarian, which appears on the screen when your time is almost up.

3. REVIEW OF THE AGENDA:

The agenda was amended to add item D (Addcox Heating) to Action Items Follow-up and Report. Lee Bridge made a motion to accept the agenda as amended. Pina Simmons seconded. The motion passed unanimously. (4-0)

5. FINANCES:

A. LIBRARY DIRECTOR’S REPORT:

Sue Cousineau reported that she and Gary Goorhuis reconciled the checking account, as well as the money market account. Lee Bridge said that both signatures should be on the reconciliation statement. Sue presented an account quick report, and reported the checking account balance to be $27,549.89. Ron Eberlein pointed out that the check to him was a reimbursement for HDMI cables he purchased for James Freshman, our IT provider. Checks made out to Jennifer McDuffy were for meeting clerk pay for September, as well as mileage reimbursement for travel to Salem September 27, for the Summer Reading Summit (paid from the State Library to the district) and the staff development day in Roseburg, October 7.

Pina Simmons made a motion that the bills listed be paid. Lee bridge amended the motion to read that Pina made the motion, but that the bills in the amount of $7,968.33 be paid from the general fund. Gary Goorhuis seconded the motion and it passed unanimously. (4-0)

Sue Cousineau presented a profit and loss statement from July 1-October 22, 2019.
